NEWSLETTER 3rd EDITION - AUGUST 2026

‘My Country’ themed Art & Craft activities-

As part of our country-themed art and craft activity, students explored the map of India in a creative and colourful way. Each student was given an outline map of India and used **Yellow Split Peas** as the craft material. They carefully pasted them within the outline, gradually filling the entire map.

The activity encouraged students to learn about the shape of India while developing their creativity, concentration, and fine motor skills. It was an enjoyable hands-on experience that beautifully combined art, craft, and awareness of our country.

Another Art & Craft activity based on the theme “My Country” was conducted, in which children participated in an Indian Flag Colouring Activity. They explored the colours and symbols of the national flag while enhancing their creativity and fine motor skills. The activity also helped foster a sense of pride, respect, and love for our country, making learning about India's national identity enjoyable and meaningful.

Patriot's Day 12th August -

Patriot's Day was observed with great reverence and patriotic spirit. The programme began with the offering of homage to the brave martyrs who sacrificed their lives for the nation. Monks, students, and staff joined together in paying tribute to these courageous souls.

The programme continued with a patriotic song, 'Manipur-Manipur' sung by students which filled the atmosphere with a deep sense of love and pride for the country. The UKG students then delivered short speeches on patriotism, and the importance of the day.

The celebration was a meaningful and inspiring experience for the young children, helping them understand the values of patriotism, gratitude, and respect for our brave martyrs.

Independence Day 14th August -

Independence Day was observed with great enthusiasm and patriotic spirit. The programme began with singing of the **National Anthem** by all the students and teachers. Everyone stood respectfully as the anthem filled the school campus with a sense of unity and patriotism.

The **UKG children** added a special charm to the celebration by delivering short and meaningful speeches on Independence Day. The little ones spoke about importance of the day and the need to love and respect our nation.

The programme was a memorable occasion that inspired everyone to remember the sacrifices of our freedom fighters and to be responsible and proud citizens of India.

Identification - Fruits & Alphabets

A fruit identification activity was conducted for the children using **real fruits**. Different fruits such as apples, bananas, oranges, and mangoes were displayed and introduced to the children. They were encouraged to observe, touch, and identify the fruits by their colour, shape, size, and texture. The activity made learning enjoyable and interactive, while helping the children improve their observation skills and learn the names of different fruits.

An **alphabet identification activity** was also conducted using disposable cups and a sheet of paper. Different alphabets were written on the bottom of the cups, while the same set of alphabets was written on the sheet. The children were asked to identify the letters and place each cup on the corresponding alphabet on the sheet. This hands-on activity helped the children recognise and match letters while developing their concentration & visual discrimination. The activity was made engaging and enjoyable through learning by doing.

Raksha Bandhan

Our little boys **celebrated Raksha Bandhan** with great joy and enthusiasm. They made rakhis using colourful ribbons & tied rakhis on each other's wrists, exchanged warm smiles, and shared lovely hugs. The celebration beautifully reflected the values of love, friendship, care, and togetherness.

It was heartwarming to see our little ones enjoying the festival and learning that Raksha Bandhan is all about strengthening the beautiful bond of love and protection.
